8.0 COMMISSION ACTIONS, RECONSIDERATION, AND CONTINUATIONS

- 8.1 Commission Action** - A Commission Action is a decision adopted by a majority of the Commission (three votes). After a motion is made and seconded, Members who are present shall vote at the call of the roll. In the event a Member who is present fails to vote either “yes” or “no,” that Member shall be deemed to have voted “yes,” and the Member’s vote shall be so recorded.

A Commission Action or transmittal of a Commission Action shall be signed by the Commission Executive Assistant.

- 8.2 Voting** – A Member is not qualified to participate in a vote on an agenda item unless the Member was present for the entire hearing on the agenda item before the Commission, or has listened to the audio recordings of the prior relevant proceedings prior to his or her participation in a vote.

If an agenda item is continued to a future meeting, a Member who was absent from any portion of the Commission hearing on the agenda item when it was initially considered may participate in a subsequent vote provided he or she has listened to the audio recordings of the prior relevant proceedings. These voting provisions shall only apply to quasi-judicial approvals.

- 8.3 Reconsideration** - The Commission may make a motion to reconsider a Commission Action on items listed on the agenda at the same meeting as the original Commission Action. These Reconsideration provisions apply only if there is Commission Action.

A motion to reconsider shall be made by a Member who voted on the prevailing side of the original vote.

If a motion to reconsider is approved, but the Commission wishes to reconsider the merits of the underlying Commission Action at the next meeting, reconsideration of the Commission Action shall be placed on the agenda for the next meeting, and effect of the original Commission Action shall be suspended until the Commission takes a new Action, provided that the Commission has not lost the jurisdiction to act.

A motion to reconsider any particular Commission Action may be made only once during the day on which the original Commission Action was taken.

- 8.4 Continuances** - The Commission may continue an item for a stated purpose to another day, or may continue an item at the request of staff, or the Council office affected, if that date is within legal time limits and the Commission has not lost jurisdiction to act.

Relative to extensions of time to hold a hearing pursuant to LAMC Section 104.10(3), the Commission hereby delegates its authority to the Executive Director.

- 8.5 Failure to Act** - A Failure to Act is when a majority of the Commission (3 votes) fails to approve or reject an agenda item. In that event, the Commission may deliberate further and take a new vote at the same meeting. If the Commission has not, either by a provision in the Los Angeles Municipal Code or by the passage of time, lost the power to act on that item, the agenda item shall be continued to the next regular meeting unless a majority of the Commission votes to continue that item beyond the next regular meeting.

- 8.6** If a Commission meeting is canceled or adjourned due to lack of quorum,

all remaining agenda items shall be continued to the next regular meeting or beyond as long as the continuance is within legal time limits and the Commission has not lost jurisdiction to act.
